Step: 4

The screenshot shows a student profile on the left with a photo and the name "sudentest1". Below it is a 5x5 grid of numbers from 1 to 25, labeled "MAKAUT MOCK EXAM". A "Take a break" button is at the bottom. On the right, the main area is titled "Screen. 1". It displays a message: "You have moved 3 times from the Test window. You are not allowed to do this." Below this is a question: "SBI card launched multi-purpose smart card with which organisation?" with four options: IRCTC, ITO, DMRC, and DTC. The "ans." button is highlighted. At the bottom are "Marked for Review" and "Save & Continue" buttons. A watermark "Activate Windows Go to Settings to activate Windows." is at the bottom right.

Click on the answer as per your choice and click on “SAVE & CONTINUE” button as shown below:

This screenshot is identical to the previous one, but the "DMRC" option is now selected, indicated by a green circle. The "Save & Continue" button at the bottom right is highlighted with a red rectangle.

Click on “Save & Continue” button to go to the next question. Once you will complete all the question answered, click on the "Save & Finish Subject". This will prompt you to re-confirm before submission.

To navigate to next question, you can also click on the question number panel in left side as shown below. To go to Q.No8 click on "8" on left panel you will be able to see the Qn08.

The screenshot shows a student's profile picture and name "studenttest1". The title "MAKAUT MOCK EXAM" is displayed. On the left, a grid shows questions 1 through 23, with question 8 highlighted. The main area displays the question: "Who introduced 'Facial Recognition System' to access digital documents?" with four options: ICSE, CBSE, NIOS, and NCERT. A red box highlights the question number 8. A message box says, "We are watching! You are moving away from the browser/camera too many times. You are not allowed to do so. This may cancel your examination." At the bottom, there are "Previous", "Marked for Review", and "Save & Continue" buttons.

Step: 5

You can go back to previous question by clicking on the “PREVIOUS” button. Once you complete all the questions, click the “Save & Finish Subject” button and proceed to submit the paper.

The screenshot shows a student's profile picture and name "namstudent1". The title "MAKAUT MOCK EXAM" is displayed. On the left, a grid shows questions 1 through 23, with question 23 highlighted. The main area displays the question: "Which of the following is set to ban all 'directly imported' items?" with four options: GOI, None of the options, Reliance Stores, and Defence Forces Canteen. A red box highlights the question number 23. A message box says, "You have moved 2 times from the Test window. You are not allowed to do this." At the bottom, there are "Previous", "Marked for Review", and "Save & Finish Subject" buttons. The "Save & Finish Subject" button is highlighted with a red box.

After submitting the paper, the system will redirect you to the home screen and Click on highlighted icon as shown below to logout.

A screenshot of a web-based application interface. On the left, a vertical sidebar has icons for Help & Support, Sign Out, and a clock showing TIME 12:31:20. The main content area shows a breadcrumb navigation: Home / List Of Subjects. A yellow message bar says "Subject is completed. Select your next subject." Below it is an "Instructions" section with the text "Please check all the papers displayed in the below list and make sure the paper listing is correct." Under "List Of Subjects Available For Examination Now", there is a single item: "MAKAUT MOCK EXAM". At the bottom, under "List Of All Subjects", there is an item "MME:MAKAUT MOCK EXAM". In the top right corner, there is a user profile placeholder "namstudent1" with a highlighted "Logout" button. In the bottom right corner, there is a "Activate Windows" message with a link "Go to Settings to activate Windows.".
